

it is good weak
students leave as
they are weighty

it used to bother me
but now it's like a
useless object being gone

there is a "play of will"
for me ... it's fine and
not degrading

NO (i) have no
will ... and
yet it is
fine and they act as if
i do

we do nothing
(but act as if
we do all) Your
sins and overcoming them
are all set up (the play of Harold)

Sally Jobst gone
Helen Hardensten "

she was there
Tues and made payment
she will be here
in Criminal for 3 months

for each of us
there is the "play of control"
are deaf
it's like they / a bit and they control
Seldom anything of
significance
